

Advisory Service

In one-to-one sessions we offer advice on study-related questions and issues, such as

- choosing your field of study
- study and university entrance requirements
- changing your field of study or university

Additionally, we offer comprehensive information on the study programmes at the University of Konstanz as well as information events and seminars. We will be happy to meet you at fairs and regional educational events. Make your appointment with one of our student advisers via the Student Service Centre (SSZ):

+49 7531 88-3636 or -5155 · termin.zsb@uni.kn

More information at:

– uni.kn/en/zsb

Student Service Centre (SSZ)

SSZ – three letters, great service! We are your first point of contact. Here you will get general information, enrolment certificates and your student identity card. Additionally, you can register for events, seminars or workshops here. Visit us online at:

– uni.kn/en/ssz

Fees

Students from European Union (EU) member states or the European Economic Area (EEA) do not have to pay any tuition fees for their first degree studies in Germany. Students from non-EU or non-EEA countries can find more information here:

– uni.kn/tuitionfees

International Office

The International Office provides comprehensive support services – from the very first contact, throughout your stay, and beyond departure. We help international students get settled at the University of Konstanz.

Ready for a new adventure? If your path leads you further afield, let us be your guide.

We support you during your studies to find your own way abroad and to prepare your stay.

Study programmes at the University of Konstanz

Successful in the German Excellence Initiative since 2007.

Studying in Konstanz means ...

- excellent teaching and research
- around 11,000 students from more than 100 countries
- more than 100 study programmes in the humanities, mathematics, natural sciences, law, economics, politics and administration
- interdisciplinary study programmes
- international exchange programmes with 350 universities worldwide
- close ties between research and teaching
- optimal student-to-staff ratio
- ideal study and work conditions
- excellent service facilities

Campus university with short distances

Interdisciplinary thinking and a friendly and welcoming atmosphere lie at the heart of the University of Konstanz. This is also mirrored in our campus, which is beautifully situated at the Gießberg hill, with a splendid view of Lake Constance. The entrance area is the centre of the university. From there you can easily reach the departments, the library and the cafeteria. The short distances build strong links between the different disciplines, thus creating a unique environment for intellectual exchange.

Campus life around the clock

You can easily spend the whole day at the university: between lectures you can enjoy a cappuccino at the Campus-Café, and after studying in our library you might feel like relaxing with our big band, choir, orchestra or theatre.

Boundless leisure activities

With its 86,000 inhabitants, Konstanz is a friendly, medium-sized city with international flair. The Swiss Alps on the horizon, Lake Constance at your feet and a great range of leisure activities to choose from. You can take your pick from the broad spectrum of outdoor activities (e. g. climbing, hiking, sailing) or the cultural events in the tri-border area (theatre, festivals).
