Code assignment

In order for us to compare the survey results of different years in the future (incl. panel), we would like to ask you to generate a personal code (no names!) by following this pattern.

1. First letter of your mother's first name* (**A**нна)
2. Next to last letter of your mother's first name* (**n**na)
3. Add up the day of your birth + the month of your birth (**05.02.1975** --> 05+02=07)
4. First letter of your father's name* (**M**ichael)

This sample code reads: (An07M)

* or a person that is like a "mother" / "father" to you
